# Capabilities Statement

VISION TECHNOLOGIES
MAKING VISION REALITY

Vision Technologies, a systems integrator with global experience, delivers converged IT services and solutions. Leveraging design-build processes from the Design-Build Institute of America (DBIA), our Integrated Technology Delivery (ITD®) methodology eliminates change orders and accelerates projects. ITD® enhances your return on investment and minimizes total cost of ownership. Vision's team of industry-certified engineers, program managers and technicians provide customers with world-class solutions backed by a lifetime craftsmanship warranty.

## Powerful, Industry-Focused Solutions that Get Results:

- Mobility
- Security Systems
- Cybersecurity
- Operations and Maintenance
- Network Infrastructure
- Program/Project Management

Vision's team of certified experts has keen insight into trends and emerging technologies that are changing the way we work, communicate and protect our society.

## Local Or National Support In All Markets

As a leading global integrator, Vision helps customers of all sizes to develop their IT and communications strategies.

**SPECIALIZNG IN**

- **Integrated Technology Delivery**
- **Audio-Visual Systems**
- **Internet of Things (IoT)**
- **Network Infrastructure**
- **Security Systems**
- **Professional Services**
- **Wireless**

GSA Contract Holder

GSA Connections II Contract # GS00Q12NSD0011
GSA Schedule 70 Contract # GS-35F-0581R
GSA Schedule 84 Contract # GS-07F-161DA
VA DCJS No. 11-552
*A Service-Disabled Veteran-Owned Business*

**ADDITIONAL CONTRACTS**

VA T4, Alliant, Alliant/SB, ELMS, TIPSS, ITES2, EAGLE, NETCENTS, SeaPort-e, FBI ITSSS, SEWP V

**Cage Code:** 3CJZ6

**NAICS:** 517311, 517312, 541511, 541512, 541513, 541519, 561621, 334310

# Core Competencies

## Integrated Technology Delivery

- Eliminate Change Orders
- Minimize Delays
- Ensure Detailed Engineering
- Avoid Multiple Markups
- Lower Risk
- Maximize Efficiencies
- Increase Speed to Completion
- Maintain a Single Point of Contact

## Wireless

- Wireless Systems (802.11 a/b/g/n/ac/ax)
- Distributed Antenna Systems (DAS/Wi-Fi)
- Enterprise Wi-Fi, Security and Integration
- Guest Access
- Public Safety Radio Systems
- RFID
- Site Surveys/Design
- iBwave-Certified Design

## Security Systems

- IP Video Surveillance
- Access Control
- Intrusion Detection
- Fire Alarm
- Perimeter Security
- Mass Notification
- Intercom and Entry Control
- RFID Tracking/Asset Management
- Visitor Management

## Audio Visual

- Video Teleconferencing
- Interactive Displays
- Audio Conferencing
- Digital Signage
- Paging and Public Address
- Sound Masking and Reinforcement
- Video Walls
- Building Management Integration
- Command and Control
- Unified Communications & Collaboration

## Network Infrastructure

- Structured Cabling (Category 5e/6/6a)
- Fiber Optic Cabling
- Passive Optical LAN (PON)
- Data Center Design-Build
- Low-Voltage LED Lighting
- Move, Adds and Changes
- RCDD-Certified CAD Drawings

## Program / Project Mgmt.

- National Rollouts
- Deployments
- Documentation and Design Services
- Integrated Technology Delivery
- Communications
- Management
- Logistics Management

## Cybersecurity

- Network Security
- Security Operations Center
- Enterprise Security Management
- Disaster Recovery and COOP
- Firewall Administration
- Risk Analysis and Assessment
- Incident Response

## Operations & Maintenance

- Enterprise IT Support
- Help Desk
- On-Site Support/Smart Hands
- Network Architecture
- Systems Engineering
- Certification and Accreditation
- Patch Management
- Deployment Services

## OUR CLIENTS

### Commercial

Johns Hopkins APL
Marriott and Marriott Hotels
Mercy Medical Center
Kaiser Permanente
George Washington University
Discovery Channel
Hewlett Packard Enterprise
IBM
University of MD
University of MD Medical Center
United Way
Comcast
Century Link

### Federal

EPA
Department of Energy
U.S. Army
Department of Veterans Affairs
Department of Homeland Security
U.S. Customs and Border Protection
FDIC
Office of the Comptroller of the Currency
NRC
U.S. Navy
