

About US

Gilbane Building Company is a family-owned, global, comprehensive construction and facilities-related solutions firm. Building upon the success and proven track record of more than 150 years of experience, Gilbane is recognized as an industry leader that delivers innovative building solutions – from state-of-the-art sustainable buildings to the latest applications in construction methods and technology. Comprised of over 3,000 multidisciplinary professionals, operating in 50 offices worldwide, our best in class teams deliver complex, geographically dispersed projects across the U.S. and internationally in countries such as Japan, Ireland and Mexico. Strengthened by our global experience and depth of expertise, we bring the benefits of these experiences and adapt them to our local communities. Across the globe, our teams are committed to the highest standards of safety and quality with a commitment to exceed our clients' expectations.
